

# LpLC News ~ August 2011

## Daycare News

Summer sure has been sizzling at LPLC, and everywhere, but we have been surviving the hot temps. Lots of water, sunscreen, and newly constructed shady play areas, along with a nice cool building to retreat to have allowed us to stay "COOL" on the hot days!

July flew by and we are ready to wrap up summer and talk about new beginnings as we roll through August and start a new school year! This month the children will learn about the circus, air transportation, and going back to school.

We will have another water play day on Friday, August 12th weather permitting. A reminder will be posted, but don't forget to send a swimsuit and towel for our day of fun.

**It is very important that fall schedule changes/updates are turned in as soon as possible. 'Schedule Change' forms are available on the sign in table. Available spots are filling up quickly. In order to guarantee your schedule needs are fulfilled you must turn in any changes by Wednesday, August 10th! We don't want to assume schedules and/or times children will be here. However, you will be billed for assumed days and times if updated schedule is not submitted. Thank you, in advance for your help in this matter.**

The children have been LOVING the new, HUGE sandbox and shade area. We have been building sandcastles galore. A big thank you to Mr. Lyle and his crew! Their hard work is appreciated and definitely enjoyed!

Don't forget to check out your child's calendar of events and talk with him/her about all the exciting things we will be learning and doing throughout the month of August!

Don't forget Parent comment forms are located on the sign-in table if needed. Please feel free to call with any questions or concerns, 815-778-0032.
