

Welcome!

For over 20 years, the Lyndon Play and Learn Center has provided quality professional child care services to families in Lyndon and our surrounding communities. It is our intention to establish a dynamic learning experience for children and parents alike. We're honored to become a part of your child's early learning experience, and look forward to getting to know your family.

This process collects the information we need to ensure that we all have the best start possible. We use this information to complete your enrollment, communicate with you, and comply with childcare licensing regulations. LPLC is licensed by the Illinois Department of Children and Family Services. You will receive a Summary of Licensing Standards for Day Care Centers and our LPLC Handbook at enrollment.
